

**STRONGER ECONOMY FAIRER SOCIETY**

**FOUR YEARS OF ACTION AND A PROMISE OF FOUR YEARS MORE**

**So.. What have the Lib Dems done for Oldfield Ward?**

Cllr Will Sandry, Cllr David Dixon and Shaun McGill out speaking to residents on Englishcombe Lane.

**Our plans for the next four years:**

Improve safety at junctions including Englishcombe Lane/Oak Avenue, and Englishcombe Way/Lane.

Campaign for investment at Moorfields Recreation Ground, including new play equipment and an outdoor gym.

Tackle the muddy grass verges around The Oval.

Improve Shaftesbury Road Memorial Gardens to make it more welcoming.

Crack down on litter on our streets through more enforcement and fines.

Remove street sign clutter from our pavements.

Campaign for a bus shelter on Herbert Road near to Moorland Road.

Work with Curo to improve our estates.

Work closer with landlords and the Universities to improve standards of housing for their tenants and outside gardens for everyone.

**In 2011 we said that we would**

✓ **Support Moorland Road**

So we...  
 Had all the **pavements rebuilt**.  
 Had the **bus stops upgraded**.  
 Had a **new crossing and anti-skid surface** added.  
 Financially support new **Christmas Lights** and ensured that the famous **switch on** happened.  
 Ensured that the **library** stayed open.  
 Worked with the **Post Office** to make sure that we did not lose this vital service.  
 Developed the **Moorland Road is Amazing** brand on Social Media and with postcards.

✓ **Invest in our Open Spaces**

So we...  
 Financially support the **community garden** plot at **Monksdale Road Allotments**.  
 Installed more **bins** along the Linear Park.  
 Invested **£40k** in **new play equipment** at **The Sand Pits Play Area** and upgraded the loo.  
 Installed the first **table tennis table** for the ward at The Sand Pits.

✓ **Improve highways & transport**

So we...  
**Resurfaced** the worst roads in Oldfield Park and Moorfields Estate.  
 Worked with First to **improved routes and maintain bus services**.  
 Upgraded all **bus stops**.  
 Promoted the **Linear Park** as a popular route for getting about Bath.  
 Secured the **Next Bike Hire Scheme** for **Moorland Road**.

✓ **Improve housing and sense of community**

So we...  
 Worked hard to support community initiatives, such as **Tree Giveaway** schemes.  
 Introduced a **licensing scheme for all homes of multiple occupation (HMO)**, improving **100s of homes** across Oldfield park.  
 We introduced a **restriction on new HMOs** to ensure a balance across the area.  
 Heavily invested in large and small **events** across the city.  
 Added **new benches** on Moorland Road & Monksdale Road

✓ **Work to improve the environment we live in**

So we...  
 Introduced **gull proof sacks** for many "hot spot" streets across the ward.  
 Installed **new litter bins** including extra ones.  
 Had waste campaigns teams working hard in Oldfield with an incentive scheme for recycling. **We now only send 20% of our waste to Landfill!**  
 Introduced a **Snow Warden Scheme** to Stirlingale Road.

✓ **Tackle crime and anti social behaviour**

So we...  
 Have continued to work closely with **Curo** and their **anti-social behaviour** team to try and deal with their more challenging tenants.  
 Work with the Police on **street drinking** and on finding **better activities for younger people**.  
 Working with the Police to look at **retail crime on Moorland Road**.

Now is the time to vote for the people you want to work for you and for Oldfield Ward. Quite rightly so you want to know what we have done for Oldfield over the past four years before you decide who will work for you over the next four years.

**ONLY SHAUN AND WILL HAVE A PLAN FOR OLDFIELD**

**We made sure that the Christmas Lights got switched on in style!**

**Don't forget polling stations are open from 7am to 10pm. It is between the Tories and Lib Dems on Bath and North East Somerset Council.**

**PLEASE MAKE YOUR VOTES COUNT!**
